Mailbox intake packet

Goin' Postal Forsythe · 1800 Forsythe Ave Ste 2, Monroe, LA 71201 · For the counter. Print one packet per new customer from page 3 on.

Before the first customer (Peter and Rin, once)

Check first: is the store registered as a CMRA? A store that rents mailboxes is a Commercial Mail Receiving Agency and files **PS Form 1583-A** with the local postmaster. Goin' Postal stores usually are already. Call or visit the Monroe post office and confirm before taking a customer.

☐ CMRA registration (PS Form 1583-A) confirmed with the Monroe postmaster. Date: _____

☐ Blank **PS Form 1583** printed. Get the current version from usps.com or the post office; USPS revised it in 2023. Keep 10 on hand.

☐ Prices set: small _____ medium _____ large _____ a month. Type them on the Prices tab of the register.

☐ Every box numbered, its size written on the Boxes tab, two keys per box tagged with the box number.

☐ LibreOffice installed, and the register (*mailbox-register-TEMPLATE.ods*) copied to the counter PC as *mailbox-register.ods*. Its folder added once under Tools > Options > LibreOffice > Security > Macro Security > Trusted Sources > Trusted File Locations, so the buttons run. Real box numbers typed on the Boxes tab. Grey example rows deleted.

☐ Backup: every save makes the day's copy in *Documents\Mailbox backups*. Copy that folder to a USB stick at closing. The register holds customer details: never email it around, never put it on GitHub.

☐ A locked drawer or cabinet for the signed 1583s, agreements and ID copies.

☐ The service agreement on page 4 read and changed where it says **OWNERS**.

Every week

- Counter tab, **Call list** button: everyone overdue, due within a week, or with an ID to fix, with what to do. Print it and call.
- **EXPIRED** in ID check: ask for a current ID at their next visit and type it over the old one.

Every quarter

- USPS expects a CMRA to give the post office an alphabetical list of its mailbox customers each quarter (Domestic Mail Manual 508.1.8). Sort the Holders tab by Name, print the open ones, take it in. Confirm the dates with the postmaster.

A new mailbox customer

About fifteen minutes. The customer must be here in person with two IDs.

1. **Pick the size and term.** Small, medium or large; monthly, or yearly (12 months for the price of 10).
2. **See two IDs** (page 3 lists what counts). One must have a photo. One must show the current home address. Neither may be expired. Look at them yourself; a photo on a phone does not count.
3. **Copy both IDs** on the counter scanner or copier. The copies go in the locked drawer with the 1583.
4. **Fill in PS Form 1583 together.** The customer completes their part and signs. You fill in the CMRA part: the box number, the two IDs you saw, and sign as the agent. Every person who will collect mail from the box goes on the form, and each shows their own two IDs.
5. **The service agreement** (page 4): the customer reads and signs. You sign.
6. **Take the first payment on the POS.** Write the POS receipt number on the agreement.
7. **The register:** Counter tab, **New customer**: name, phone, email, size, monthly or yearly. It gives the next MB- code and jumps to the ID cells: type both IDs (type, *last 4 only*, expiry), the 1583 signed date and your name. Then **Record a payment** with the POS receipt number.
8. **Give the box.** Counter tab, **Give a box**. It refuses until the IDs, the 1583 and the payment are in, then offers the Free boxes of their size and shows their address. Hand over two keys and have them sign the key receipt (page 5).
9. **Tell them their address** and write it on the back of their receipt:

> Their name or business
> 1800 Forsythe Ave Ste 2 **#BOX**
> Monroe, LA 71201

USPS requires a CMRA customer's address to carry "#" or "PMB" with the box number. Mail without it can be returned to the sender. The store already has "Ste 2", so ask the postmaster once which they want: "Ste 2 #101" on one line, or "PMB 101" on its own line above the street. Then cross out the one not used here.

10. **File the paper:** the 1583, the ID copies, the agreement and the key receipt, stapled, in the locked drawer, under the box number.

Closing a box

1. Collect both keys. Hand over any mail still in the box.
2. Ask for a forwarding address and write it on their 1583.
3. Counter tab, **Close a box**: it writes today as the Closed date and the forwarding address. The box shows Free again.
4. Keep the paper file. USPS expects the CMRA to keep the 1583 after the box closes; confirm how long with the postmaster.

Which IDs count

From PS Form 1583 (2023). Two IDs, two different kinds.

Photo IDs (one of these is required)

- Driver's license or state ID card
- Passport, or US passport card
- Military or uniformed service ID
- Government employee ID
- University ID
- Permanent resident card
- Certificate of naturalization
- Tribal ID

Second ID (or a second photo ID)

- Current lease, mortgage or deed of trust
- Voter registration card
- Vehicle registration card
- Home or vehicle insurance policy
- Any photo ID from the list on the left, of a different kind

Never accepted: Social Security card, credit or debit card, birth certificate. Not expired. One of the two must show the customer's current home address.

Store copy: IDs seen

	Type of ID	Issued by	Last 4	Expires	Home address?
Photo ID					Yes / No
Second ID					Yes / No

Customer: _____ Box #: _____ Code: MB-_____

IDs checked in person by: _____ Date: _____

Write the last four characters only, never the whole ID number. The full copies stay in the locked drawer.

Mailbox service agreement

DRAFT for Peter and Rin. Change the parts marked **OWNERS**, then print. This is not legal advice; a lawyer can check it in an hour.

Goin' Postal Forsythe ("the store"), 1800 Forsythe Ave Ste 2, Monroe, LA 71201, rents mailbox number _____ to the customer below.

1. **Term and price.** Size _____, paid ☐ monthly ☐ yearly, at $_____ per term, starting _____. Payment is due before each term begins.
2. **Late payment.** If a payment is more than **OWNERS: 15** days late, the store may stop putting mail in the box and hold it at the counter. After **OWNERS: 30** days the store may close the box under clause 7.
3. **What we accept.** Letters, flats and parcels from any carrier. Parcels too big for the box are held at the counter for **OWNERS: 14** days. The store does not accept anything that needs a signature from the customer personally unless the customer has authorized the store on PS Form 1583. No perishables, hazardous items or anything illegal to mail.
4. **Your address.** Use the box number with "#" or "PMB" as USPS requires. Mail without it may be returned to the sender.
5. **IDs and Form 1583.** The customer has shown two IDs and signed PS Form 1583. Everyone who will collect mail is listed on it. The customer will tell the store and update the form when anything on it changes, and show a current ID when one on file expires.
6. **Keys.** Two keys are issued. A lost key costs $**OWNERS: 25** for a lock change.
7. **Closing.** Either side may close the box with **OWNERS: 30** days' notice. The keys come back. Mail that arrives after closing is handled as USPS rules for CMRAs require.
8. **Refunds.** **OWNERS: no refunds for a partial month; a yearly term is refunded for unused whole months, less one month.**
9. **Liability.** The store takes reasonable care of mail in its keeping. It is not responsible for mail lost or damaged before it reaches the store, or for anything taken by someone the customer authorized.

Customer name: _____ For the store: _____

Signature: _____ Signature: _____

Date: _____ Phone: _____ POS receipt #: _____

Key receipt

I received **two keys** to mailbox # _____ at Goin' Postal Forsythe. I will return both when the box closes. A lost key means a lock change at the price in my agreement.

Name: _____

Signature: _____

Date: _____

Keys handed over by:

_____

Key tag numbers: _____ _____

Keys returned

Both keys returned on _____. Received by _____. Forwarding address: _____

For the customer: your mailbox

Name: _____

1800 Forsythe Ave Ste 2 # _____
Monroe, LA 71201

Paid through: _____ Store phone: _____

Cut this box out and give it to the customer, or write it on the back of their POS receipt.
